

# Copyrights-EXPress®

Innovation Reimagined and Transformed  
for U. S. Copyright Registrations!

**2019 Supreme Court Ruling: Requires copyright registration before filing a lawsuit to protect and enforce your rights!**

## Solution: A New System to Speed Copyright Registration!

- Automates copyright registration with the U. S. Copyright Office from your legacy publishing CMS using APIs, XML feed or spreadsheet!
- Provides Mobile Apps for authors and creators for easily registration
- Provides real-time **data validation** and **specialist review** for each title
- Integrates seamlessly with USCO e-filing using **Digi-Ecolink**

## Benefits:

- **Reduces processing** from 15-30 minutes per application to 90-seconds
- **Reduces filing fees...** up to \$50 over paper applications
- **Reduces USCO delays and rejections** with real-time error-checking & validation
- **Reports and tracks USCO case # and filing date** automatically
- **Mitigates liability risks** from improper copyright filing practices

CopyrightsNow® Mobile App for iPad, iPhone, Android and Desktop enables your Authors to register copyrights in 5-minutes... eliminating lengthy forms and complex procedures.

\* Copyrights-EXPress and CopyrightsNow are not affiliated with or endorsed by the U. S. Copyright Office

## 3 Easy Steps for Copyright Protection

**1** - Automates ingesting copyright info from your corporate system or CopyrightsNow® App

**2** - Instant real-time validation ensures proper format for copyright application!

**3** - Receive your Official Copyright Certificate directly from the U. S. Copyright Office

# e-Registration

## Enforce your Copyrights under Supreme Court ruling

- Copyrights-EXPress® is a patented business transformation process that reimagines the U. S. Copyright Registration process
- Simplifies and streamlines workflow from your existing CMS to automatically register titles for global copyright protection\*
- Proven platform with over 100,000 transactions processed
- Available NOW... to Save Time, Labor and Costs!

## Why U. S. Copyright Registration is needed?

- While copyright is automatic when a work is created in a fixed medium...
- To enforce your rights and to claim up to \$150,000 in statutory damages and attorney fees, you must register within 3 months of publication and before infringement
- A simple 3-step process makes it easy for **Copyright Protection for Lifetime + 70 years!**

## Copyrights-EXPress® Features and Benefits

- Designed for volume publishers and agents who register copyrights on behalf of their clients or for company owned material
- Enables authors, creators and professionals to easily register using a Mobile App
- Uses APIs, XML feeds or spreadsheets to batch process your copyright information
- Uses enhanced algorithms error-checking for consistent and proper formats
- Validates transactions with immediate feedback and selects lowest-cost application
- Integrates seamlessly with USCO e-CO filing system... saving time, labor and fees!
- Easy implementation and simple pricing: with monthly licensing or pay per transaction  
*(Compatible with the latest USCO copyright regs)*

**“We’re impressed by its ability to simplify application for federal copyright protection... eliminating lengthy forms and complex procedures.”**
